Our Baja CA trip......The Softopper worked great all 1500 miles, and remember that over 400 were off road !!! Sun, rain, sand, wind, saltwater, dirt and rocks... not a problem. And at home we just rinsed it off, put it back in the tote bag and stuck it on a shelf in the garage. A true pleasure to own.

Thanks for getting it to us on time, Jerry

i received my topper today, I absolutely love it and thank you for the discount. i know you have the best price on the web for certain because I checked everywhere!! thanks again, nancy russell

Factory Authorized Softopper Sales Since 2001 CALL for the BEST delivered price ANYWHERE

Hello Will, the topper arrived today. Thank you for keeping your word and sending the package to me on time. Outstanding Service!:) Jim Birdsong Cindy, I received the softopper on Monday morning and it installed perfectly. It made the return trip much easier. Thank you very much for getting it to me very promptly, especially with the holiday. Rest assured, I will be promoting the softopper and your website. Jane Mills Thanks for a great product. The Softopper looks great and functions even better. It literally can be installed or removed in minutes and the carry pouch makes moving the unit easy. I was skeptical of the overall quality of a "soft top" but I'm happy I decided to buy your product. I can't count how many people have commented on the Softopper. This thing is great for camping and easily folds out of the way or pulls off when it's time for work. Thanks again, Chris G Amherst, Ohio Just wanted to let you know that the Softopper arrived in the nick of time, arrived on the 29th. Great cap. Worked well ice fishing up in Canada and quite a few people were impressed with it. Being able to open the sides up and get to gear at the back of the bed without crawling in is great. Also held up well in the wind and freezing conditions. Glad I bought it! Take care, Rod B We got back to Texas from NH yesterday and the Softopper was perfect. We ended up needing some additional storage space outside of our motorcycle trailer and the back of the truck was perfectly dry and dust free thanks to the top. I even spent a night sleeping in there at a rest stop during a rain storm and everything worked great. Thanks for a great product. Ed P - Texas Just a note to let you know the softtopper worked great... I've never seen one so simple to assemble. My wife and 8 year old grandson did all the assembly. We had a lot of great comments about it. This topper has already traveled almost 4000 miles and even went through a wicked hail storm with no problems. Vern P - Mesa, Arizona, thank you . Will, my softopper showed us at my house at ten this morning, thank you so much for shipping that out fast. I put it in and it looks great. Thank you for your help. Dave Jensen

Fast same day shipping, full 1 year warranty

Hi Will, the Topper installation went very well. The written instructions were clear. It took just short of an hour...solo. I will keep in touch with comments and adventures.Best Regards, Tom Struckmeyer - Wisconsin, USA
